Intuitive Research and Technology Corporation Is Chosen As One of the Nation's *50 Best Employers for Workers Over 50* for Third Year in a Row

HUNTSVILLE, AL – September 9, 2009 – Intuitive Research and Technology Corporation (*INTUITIVE*) is pleased to announce that for the third consecutive year it has been selected as one of the Nation's *50 Best Employers for Workers Over 50*. Prior to selection, *INTUITIVE* was subject to a nationwide application process and extensive vetting to ensure the quality of its policies. This honor is reserved for companies who excel in practices with regard to recruitment, retention and promotion of older workers, as well as those that create and foster a workplace that is supportive of the contributions older workers offer the business community.

INTUITIVE is proud of receiving such a recognition, and looks forward to the continuance of the policies that are responsible for achieving a national selection. *INTUITIVE* understands the benefits in promoting diversity in age at the workplace, and how necessary it is for mature workers to create roadmaps for the workplaces of tomorrow.

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, supplies a wide range of services including programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
