

NEWS RELEASE FOR IMMEDIATE RELEASE

Intuitive Research and Technology Corporation one of AARP'S 2008 Best Employers for Workers Over 50

HUNTSVILLE, AL – October 6, 2008- For the second consecutive year, Intuitive Research and Technology Corporation (*INTUITIVE*) has been named one of AARP's 50 Best Employers for Workers over 50. *INTUITIVE* was named to the select group of Best Employers following a nationwide application process and extensive vetting prior to final selection. Key areas of consideration include: recruiting practices; opportunities for training, education and career development; workplace accommodations; alternative work options, such as flexible scheduling, job sharing, and phased retirement; employee health and pension benefits; retiree benefits; and age diversity of the workforce.

INTUITIVE President and Chief Operating Officer Harold R. Brewer said, "It is an honor to be recognized by AARP for our innovative policies that support an experienced workforce culture and environment. *INTUITIVE*'s goal is to develop and nurture a cross generational workforce, supplying our customers with outstanding products and services. "

INTUITIVE continues the practices that also awarded us the prestigious 2007 AARP Bernard E. Nash Award for Innovation for retiree work opportunities. We understand that employers who are progressive in their policies toward 50-plus workers have more productive employees.

Employees 50 and over are tremendous assets and bring extensive skill and experience to the workplace.

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
