Intuitive Research and Technology Corporation CEO appointed to Chemical Biological Defense Acquisition Initiatives Forum

HUNTSVILLE, AL – October 10, 2007 - Intuitive Research and Technology Corporation (*INTUITIVE*) is proud to announce that A.R. (Rey) Almodóvar, P.E., Co-Founder and CEO, was recently appointed to the Chemical Biological Defense Acquisition Initiatives Forum. He will serve a two year term as the Small Business Sector Representative. Mr. Almodóvar will be representing small businesses on acquisition initiative issues within the chemical biological defense industry. After receiving notification of this honor, Mr. Almodóvar, stated:

“It is an honor and a privilege to be selected by MG Reeves as the Small Business Sector Representative for the Chemical Biological Defense Acquisition Initiatives Forum (CBDAIF). In this capacity, I plan to voice the needs of the small business community and promote small business developed technologies that support the Chemical and Biological Defense arena. This appointment also reaffirms INTUITIVE’s growing role in this area as a design and engineering firm.”

The Chemical Biological Defense Acquisition Initiatives Forum was chartered in 1996. Its purpose is to provide a forum for the Joint Program Executive Officer-Chemical Biological Defense (JPEO-CBD) to discuss current issues and items of interest in the area of chemical and biological acquisition initiatives with industry and government representatives on a regular basis.

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
