

## **NEWS RELEASE FOR IMMEDIATE RELEASE**

### **Intuitive Research and Technology Corporation is a Finalist in the Huntsville / Madison County Chamber of Commerce Small Business of the Year - Technology Category**

**HUNTSVILLE, AL – August 26, 2004** - Intuitive Research and Technology Corporation (*INTUITIVE*) has been selected as a Finalist in the 2004 Huntsville / Madison County Chamber of Commerce Small Business of the Year in the Technology Category. Nominated businesses are judged by local business leaders on the basis of years in business, small business challenges and responses to adversity, business goals, employment strength, innovativeness of products or services, community involvement, and financial strength.

*INTUITIVE*'s President and CEO, A.R. (Rey) Almodóvar stated "The *INTUITIVE* family is truly honored and humbled with such a recognition as we celebrate our 5 Year Anniversary. In an area filled with numerous top notch technology companies this recognition is very special and meaningful. The Huntsville/Madison County area is a small business friendly community and our recognition should serve as a confirmation to their Chamber of Commerce of a job well done. The Huntsville/Madison County Area has been great for *INTUITIVE*, we love the area and we are happy to be a welcomed part of their community."

**Intuitive Research and Technology Corporation:** *INTUITIVE*, a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies. *INTUITIVE* was co-founded in 1999 by A.R. (Rey) Almodóvar and Harold R. Brewer.
