

NEWS RELEASE FOR IMMEDIATE RELEASE

Intuitive Research and Technology Corporation Announces New Executive Vice President, Tommie Newberry

HUNTSVILLE, AL – September 19, 2007 – Intuitive Research and Technology Corporation (*INTUITIVE*) is pleased to announce that Tommie Newberry has joined *INTUITIVE* as Executive Vice President. As Executive Vice President, Mr. Newberry will oversee the management and execution of current programs as well as assist the President and CEO in planning and programming for the future. Before joining *INTUITIVE*, Mr. Newberry was the President of 3D Research Corporation from 2006-2007 and was their Chief Operating Officer from 2004-2006. Prior to 2004 he was a career Army Officer and retired as a Colonel with over 27 years of active service. He is a graduate of the US Army Command and General Staff College, the Defense Systems Management College and the US Air Force Air War College. He also holds a Masters degree in Management from Webster University, a Masters degree in Strategic Studies from the Air University and a Bachelor's degree in Marketing from Arkansas State University.

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
