Intuitive Research and Technology Corporation Donates Books to Rolling Hills Elementary School

HUNTSVILLE, AL – January 15, 2009 – Intuitive Research and Technology Corporation (*INTUITIVE*) and its staff were able to raise enough money to give a book to every child at Rolling Hills Elementary School. The company set up a table and allowed every child to choose an age appropriate book on January 15, 2009. While he watched the children choose a book, Harold R. Brewer, *INTUITIVE*'s President, stated,

“It is important for *INTUITIVE* as a company as well as its employees, to give back to the Huntsville/Madison County community. A love for reading starts young and fosters an interest in life long learning. We want to ensure that all children are given an opportunity to be their best and by supporting Huntsville City School, we are making strides towards this goal.”

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
