

NEWS RELEASE FOR IMMEDIATE RELEASE

Intuitive Research and Technology Corporation Hosts Job Shadow Students

HUNTSVILLE, AL – February 22, 2007 – On February 22, 2007, Intuitive Research and Technology Corporation (*INTUITIVE*) hosted seven young men and women from area high schools through Junior Achievement's Job Shadow program. Job shadowing gives participants the opportunity to identify career interests, observe the daily routine of professionals and understand the connection between school, work and their goals. The seven participants pre-selected areas of interest and were assigned to personnel accordingly. The students were able to learn about a specific career, participate in activities and ask employees questions, receiving immediate feedback. *INTUITIVE* is dedicated to supporting organizations, like Junior Achievement, that facilitate work force development among area students.

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
