Intuitive Research and Technology Corporation's President Speaks to Local Human Resources Group

HUNTSVILLE, AL – March 20, 2008 – Intuitive Research and Technology Corporation (*INTUITIVE*) is pleased to announce that Co-founder and President, Harold R. Brewer was a guest speaker at the North Alabama Society for Human Resource Management's (NASHRM) seminar Attracting, Developing and Retaining a World-class Workforce - A Foundation for Success. The event was held on March 11th at the VBC South Hall. Over 75 human resource professionals from across North Alabama attended the event. Mr. Brewer's session entitled, "Creating a Great Place to Work", covered how he and his partner, Mr. A.R. (Rey) Almodóvar, P.E., used unique leadership methods focused on the workforce while forming *INTUITIVE* thus creating a "Great Place to Work."

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
