The Community Donates Books to a Local School

HUNTSVILLE, AL – February 8, 2005 – The Rotary Club of Huntsville presented over 700 books to the students at Rolling Hills Elementary – the goal of 368 books (1 per student) was greatly surpassed! Prior to the book presentation, the students were not allowed to take home books from the library and many students did not have any books at home. The book presentation will enable each student to have at least 1 book of their very own.

Intuitive Research and Technology Corporation (*INTUITIVE*), a Rotary Club member/supporter, donated over 600 books to this project. Harold Brewer, *INTUITIVE* Vice President, stated “We are proud to support the Rotary Club in this worthwhile endeavor. Our participation and contribution to the book drive illustrates just how much of an impact that a small business can have on the community. I would like to encourage other small businesses to give back to the community via support to our local schools, charities, and non-profits organizations.”

Intuitive Research and Technology Corporation: *INTUITIVE*, a certified 8(a) Company and Small and Disadvantaged Business, provides a myriad of services in programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies. *INTUITIVE* was co-founded in 1999 by A.R.
