***INTUITIVE* is a Double Winner at the 2011 Best Places to Work in Huntsville/Madison County Luncheon**

HUNTSVILLE, AL – April 2011 – Intuitive Research and Technology Corporation (*INTUITIVE*) is proud to announce it was recognized at the Madison County 2011 Best Places to Work Awards Luncheon as one of the **2011 Best Places to Work for Huntsville/Madison County** and Juanita Phillips, *INTUITIVE* Human Resource Director, won the **Most Valuable Employee Award**. These were awarded by the Huntsville/Madison County Chamber of Commerce and the North Alabama Society for Human Resource Management on April 29, 2011. *INTUITIVE*'s President, Harold Brewer, accepted the award on behalf of all the employees, and Mrs. Phillip's was there to accept her award.

Mr. Brewer later stated, "The fact that *INTUITIVE* is the only company to receive this award every year since its establishment four years ago speaks volumes. I would like to say how honored I am to work with such a high caliber of people. The *INTUITIVE* staff is the reason we are a Best Place to Work. This award is a clear reflection of their ethics, dedication and values."

Regarding Mrs. Phillip's award, Mr. Brewer commented, "Nominated by her fellow employees, to say Mrs. Phillips is admired by her peers and co-workers is a tremendous understatement. She has the utmost respect of the entire company and the community. Furthermore, Juanita has been instrumental in setting the environment and policies to foster *INTUITIVE* as one of the Best Places to Work for the fourth year in a row."

INTUITIVE has been the recipient of this award for the fourth year in a row, making it a consistent winner since the Best Places to Work honor was established. The program honors businesses in three categories including small, medium, and large businesses. *INTUITIVE* was placed in the medium group, which is for companies with 75-249 employees. Congratulations to all the employees whose efforts have proven *INTUITIVE* really is one of the best places to work!

Intuitive Research and Technology Corporation (*INTUITIVE*) supplies a wide range of services including programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
