

FOR IMMEDIATE RELEASE**James D. Parker joins *INTUITIVE* as the Director of International Programs.**

HUNTSVILLE, AL – March 2010 – Intuitive Research and Technology Corporation (*INTUITIVE*) is pleased to welcome Mr. James D. Parker as the new Director of International Programs. Mr. Parker has joined the *INTUITIVE* Team having just served as the Deputy Director, Security Assistance Management Directorate (SAMD), US Army Aviation and Missile Command (AMCOM). Mr. Parker will oversee all international relations and be responsible for programmatic and technical production and services for international customers. With over 30 years of acquisition/international experience with both Government and industry, his specialized training provides the executive leadership for *INTUITIVE*'s multi-national program management.

From the beginning of his US Government career in 1982 as a contract cost/price analyst at the US Army Missile Defense, he has consistently provided Government support in positions such as Branch Chief and Contracting Officer; Chief, SAMD Aviation Systems Division; and Assistant Deputy for Contracts and Director of International Affairs for the Deputy for System Acquisition (DSA). Mr. Parker's valuable services were recognized by receiving the Superior Civilian Service Award and the 2008 Louis Dellamonica Award for Outstanding AMC Personnel of the Year.

Mr. Parker graduated with a Bachelor of Science Degree from The University of Tennessee at Chattanooga in 1972. He is level 3 certified in contracting and level 2 certified in program management.

Intuitive Research and Technology Corporation (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, supplies a wide range of services including programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
