***INTUITIVE* Ranks #69 on *Hispanic Business* 500 Largest U.S. Hispanic Owned Companies**

HUNTSVILLE, AL – June 2011 – Intuitive Research and Technology Corporation (*INTUITIVE*) has moved up the ranking on the *Hispanic Business* 500 Largest U.S. Hispanic Owned Companies from #72 in 2010 to #69 in 2011. This elite *Hispanic Business* list is featured in the June 2011 issue of *Hispanic Business* magazine. This is the sixth year in a row *INTUITIVE* has moved up the list, having placed on the *Hispanic Business* 500 Directory since its first year of eligibility.

INTUITIVE is proud of its upward movement on the list, especially due to the instability of the year's economic conditions. The Company has been encouraged by this honor, which has reinforced its leadership role within the community as having outstanding management and quality services. All those who are members of the *INTUITIVE* Team are congratulated for their part in the growth of the company.

Intuitive Research and Technology Corporation (*INTUITIVE*), a Small Business, supplies a wide range of services including programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
