

**FOR IMMEDIATE RELEASE****Intuitive Research and Technology Corporation Ranks  
On 2011 Inc 5000 List for 7<sup>th</sup> Year**

**HUNTSVILLE, AL – August 2011** – Intuitive Research and Technology Corporation (*INTUITIVE*) is honored to announce it has been listed on the **Inc. 5000 Fastest-Growing Private Companies list** for the 7<sup>th</sup> year. Out of the five thousand companies who were listed, *INTUITIVE* has placed a ranking of #688, making it one of the premier companies to be ranked in the top thousand. To be eligible for placement on the Inc. 5000 list, companies must show at least a 10% profitable increase in revenue for the past three year, 2007-2010. Companies must also be U.S.-based, privately held, for profit, and independent. Since its creation in 2007, the list has provided customers in a variety of industries evidence of a company’s maturity and success, which leads to a well established foundation for quality solutions. *INTUITIVE* CEO, Rey Almodóvar states,

“Our simple, solid business approach combined with our qualified personnel and subject matter experts has allowed us to stay a consistent figure on the Inc. 5000 list. We are very proud to have made this list this year, and congratulate the entire *INTUITIVE* Team for their hard work and recognition.”

**Intuitive Research and Technology Corporation** (*INTUITIVE*), a Small Business, supplies a wide range of services including programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
