

## FOR IMMEDIATE RELEASE

### ***INTUITIVE's* Christine Schaefer Receives 2010 ISP Certification**

**HUNTSVILLE, AL – June 2010** – Intuitive Research and Technology Corporation (*INTUITIVE*) is pleased to announce that its Facility Security Officer (FSO), Christine Schaefer, has received the Industrial Security Professional (ISP) certification. This certification is designed to award professional recognition to qualified candidates who demonstrate the knowledge, skills, and abilities their profession demands. The basis for the examination is primarily the National Industrial Security Program Operating Manual (NISPOM), the supplements, and other information security concomitant rules and regulations to include Operations Security, proprietary information, etc.

*INTUITIVE* would like to congratulate Ms. Schaefer's on her successful completion of this examination. This accomplishment signifies her professional dedication and overall competence on NISPOM requirements.

**Intuitive Research and Technology Corporation** (*INTUITIVE*), a certified 8(a) Company and Small and Disadvantaged Business, supplies a wide range of services including programmatic support, systems engineering, product development, production systems support, rapid prototyping, and technology management solutions to the Department of Defense, government agencies, and commercial companies.
